

Important Information to Save

October 20, 2009

Dear parents/guardians

I would like to begin featuring one student every two weeks on our ***Special Person Board*** beginning the first week of November. This activity is designed to promote self-image and social awareness. Every few week a new child will be in the spotlight and be “king” or “queen” for the week. He/she will bring in pictures of him/herself, his/her family, friends, pets, vacations, hobbies..... be creative! Awards, ribbons and other items that can be put on a bulletin board can also be brought in. Parents might want to make a large poster or several small posters to mount pictures. Be sure to include captions or a short story about your child for me to read to the class. Include important information like birthday, age, address, family members. You can also include favorite foods, colors, and hobbies. Personalize this project in any way that is fun for you. All ideas are welcome! Thank you in advance for your help with this project! Everything you send in will be returned to you.

Please make note of the dates below:

Show & Tell

Everyone is assigned a day for a turn to show & tell. This will be *once every 6 days* for each child. The days are as follows:

Day 1: Morgan, Justin

Day 2: Olivia, Ciera

Day 3: Brooke, Chelsea, Autumn

Day 4: Kayla, Nolan,

Day 5: Zachery, Jacob

Day 6: Michael, Priscilla

Please do not send in toys for this if you can help it. Consider awards, trophies, pictures they have made, photographs, souvenirs, favorite things, collectables...Some weeks encourage your child to tell something instead of bringing something in to share. Practice it with them two or three times so they can remember all the important details of their story.
