## Ms. Perozeni's Classroom Newsletter

### What's Happening in Room 24

I can't believe this is our last Friday News! Where did the year go? I have truly enjoyed working with all of the children. It has been a pleasure to watch them learn and grow.

Report cards will be distributed on Wednesday. These will be coming home with the children.

On Tuesday we will have a class pizza party outside (weather permitting). You are welcome to join us. We are in need of veggies, milk, and plates for this lunch. Please let me know if you can send something in.

On Wednesday morning at 10:45 we will have our end of the year breakfast bash to celebrate our last day of school. I hope you can join us.
