Dear Families,

Thank you to all of you who donated supplies for our class picnic on Tuesday. The picnic will take place on Tuesday June 22<sup>nd</sup> at noon. Family members are welcome to attend! Also, I want to thank everyone who made donations and volunteered their time this year. You made our school year a memorable one!

June came so fast! I am sad to see your children go, but feel they are prepared for fourth grade and will be very successful. I have really enjoyed working with your children as they are respectful, kind, and compassionate children. Thank you for sharing them with me! Also, thank you for your support throughout the school year!

It was very nice to see so many of you at our class Reader's Theater Performance. You should be very proud of the hard work your son/daughter put into this!

On Wednesday, a Chinese Exchange Student came to our classroom and gave a special presentation. She taught the children how to say many different things in Chinese and shared some Chinese Music Videos with them. It was a great experience!

I sent home a memory book with your child this week! Make sure to take a look at it, there are a lot of nice pictures from the school year in it! I also sent home a reading and math packet with your child. If your child chooses to complete the math packet over the summer, a reward will be given to them the first week of school!

I told the students that if they would like, they can bring in board games on Monday morning. Our entire classroom needs to be packed up by Wednesday afternoon so many of our activities/supplies will be packed away. Please only allow your child to bring in one board game.

Report cards will be distributed on the last day of school. The report card will have your child's teacher for next year on it! I will continue to check my email so feel free to email me with any questions.
